Dear Mr. Raider:

I await the so-called "Bay of Pigs" packet of documents from you. Attached you will find a check for \$13.80.

You informed me that the Agency was experiencing difficulty in finding the documents I requested; therefore, I am attaching a copy of that request list, the documents numbered from 1.

through 100. Several minor corrections are noted:

- 54. "Considerations" not "Coordination"
- 55.-71. first report should be dated April 18, 1963
- 77. an FBI document; therefore, 77. is not being requested

Re: my "code":

AR = Alleged Assassination Plots Involving Foreign Leaders, Interim Report, 94th Congress, 1st Session, Senate Report No. 94-465, 1975.

BR = The Investigation of the Assassination of President John F. Kennedy: Performance of the Intelligence Agencies, 94th Congress, 2nd Session, Senate Report No. 94-755, 1976.

HH = Hearings Before the Select Committee of the U.S. House of Representatives, 95th Congress, 2nd Session, 1979

therefore, 10 HH = Volume X of above

Weyden = (as you know) Bay of Pigs (by Weyden)

for request 2.:

Evica = And We Are All Mortal (by G. M. Evica)
 (on p. 418 I detail the release in 1976 of this document to Robert Borosage, Center for National Security Studies)

Note about this above document: the March 9, 1960, memorandum on my numbered list, 1. and 2. may be the same document; as I note for 1., the document referred to in AR (see "code" above).

Here and in all instances, I am asking for the full, "unsanitized" text. Please move as quickly as possible in expediting this request.
